§ 800.153 Maintenance and retention of records on official inspection, Class X or Class Y weighing, and equipment testing service.

Agencies and approved scale testing organizations shall maintain complete detailed official inspection work records, copies of official certificates, and equipment testing work records for 5 years.

(Approved by the Office of Management and Budget under control number 0580-0011)

§ 800.154 Availability of official records.

(a) *Availability to officials.* Each agency, contractor, and approved scale testing organization shall permit authorized representatives of the Comptroller General, the Secretary, or the Administrator to have access to and to copy, without charge, during customary business hours any records maintained under §§ 800.146-800.159.

(b) *Availability to the public—(1) Agency, contractor, and approved scale testing organization records.* The following official records will be available, upon request by any person, for public inspection during customary business hours: (i) Copies of the Act, the regulations, the standards, and the instructions; (ii) the delegation, designation, contract, or approval issued by the Service; (iii) organization and staffing records; (iv) a list of licenses and approvals; and (v) the approved fee schedule of the agency, if applicable.

(2) *Service records—*Records of the Service are available in accordance with the Freedom of Information Act (5 U.S.C. 552(a)(3)) and the regulations of the Secretary of Agriculture (7 CFR, part 1, subpart A).

(c) *Locations where records may be examined or copied—(1) Agency, contractor, and approved scale testing organization*

records. Records of agencies, contractors, and approved scale testing organizations available for public inspection shall be retained at the principal place of business of the agency, contractor, or approved scale testing and certification organization.

(2) *Service records.* Records of the Service available for public inspection shall be retained at each field office and at the headquarters of the Service in Washington, D.C.

§ 800.155 Detailed work records—general requirements.

(a) *Preparation.* Detailed work records shall be prepared for each official inspection, Class X or Class Y weighing, and equipment testing service performed or provided under the Act. The records shall (1) be on standard forms prescribed in the instructions; (2) be typed or legibly written in English; (3) be concise, complete, and accurate; (4) show all information and data that are needed to prepare the corresponding official certificates or official report; (5) show the name or initials of the individual who made each determination; and (6) show other information required by the Service to monitor or supervise the service provided.

(b) *Use.* Detailed work records shall be used as a basis for (1) issuing official certificates or official forms, (2) approving inspection and weighing equipment for the performance of official inspection or Class X or Class Y weighing services, (3) monitoring and supervising activities under the Act, (4) answering inquiries from interested persons, (5) processing complaints, and (6) billing and accounting. These records may be used to report results of official inspection or Class X or Class Y weighing services in advance of issuing an official certificate.

(c) *Standard forms.* The following standard forms shall be furnished by the Service to an agency: Official Export Grain Inspection and Weight Certificates (singly or combined), official inspection logs, official weight loading logs, official scale testing reports, and official volume of work reports. Other forms used by an agency in the performance of official services, including

§ 800.156

7 CFR Ch. VIII (1–1–05 Edition)

certificates, shall be furnished by the agency.

§ 800.156 Official inspection records.

(a) *Pan tickets.* The record for each kind of official inspection service identified in § 800.76 shall, in addition to the official certificate, consist of one or more pan tickets as prescribed in the instructions. Activities that are performed as a series during the course of an inspection service may be recorded on one pan ticket or on separate pan tickets. The original copy of each pan ticket shall be retained by the agency or field office that performed the inspection.

(b) *Inspection logs.* The record of an official inspection service for grain in a combined lot and shiplot shall include the official inspection log as prescribed in the instructions. The original copy of each inspection log shall be retained by the agency or field office that performed the inspection. If the inspection is performed by an agency, one copy of the inspection log shall be promptly sent to the appropriate field office.

(c) *Other forms.* Any detailed test that cannot be completely recorded on a pan ticket or an inspection log shall be recorded on other forms prescribed in the instructions. If the space on a pan ticket or an inspection log does not permit showing the full name for an official factor or an official criteria, an approved abbreviation may be used.

(d) *File samples*—(1) *General.* The record for an official inspection service based, in whole or in part, on an examination of a grain in a sample shall include one or more file samples as prescribed in the instructions.

(2) *Size.* Each file sample shall consist of an unworked portion of the official sample or warehouseman's sample obtained from the lot of grain and shall be large enough to permit a reinspection, appeal inspection, or Board appeal inspection for the kind and scope of inspection for which the sample was obtained. In the case of a submitted sample inspection, if an undersized sample is received, the entire sample shall be retained.

(3) *Method.* Each file sample shall be retained in a manner that will preserve

the representativeness of the sample from the time it is obtained or received by the agency or field office until it is discarded. High moisture samples, infested samples, and other problem samples shall be retained according to the instructions.

(4) *Uniform system.* To facilitate the use of file samples, agencies shall establish and maintain a uniform file sample system according to the instructions.

(5) *Forwarding samples.* Upon request by the supervising field office or the Board of Appeals and Review, each agency shall furnish file samples (i) for field appeal or Board appeal inspection service, or (ii) for monitoring or supervision. If, at the request of the Service, an agency locates and forwards a file sample for an appeal inspection, the agency may, upon request, be reimbursed at the rate prescribed in § 800.71 by the Service.

(Approved by the Office of Management and Budget under control number 0580–0011)

§ 800.157 Official weighing records.

(a) *Scale ticket, scale tape, or other weight records.* In addition to the official certificate, the record for each Class X or Class Y weighing service shall consist of a scale ticket, a scale tape, or any other weight record prescribed in the instructions.

(b) *Weighing logs.* The record of a Class X or Class Y weighing service performed on bulk grain in a combined lot or bulk shiplot grain shall include the official weighing log as prescribed in the instructions. The original copy of each weighing log shall be retained by the field office or agency that performed the weighing.
